

A JOURNEY TOWARDS
DEEPER RELATIONSHIPS

Dear Youth Leaders,

We are thrilled to introduce you to the: **"YOUTH LEADER PASSPORT CHALLENGE"**. This dynamic competition aims not only to deepen your teams ministry connections between your leaders and students but to also help your team grow in their understanding of youth culture, scripture and so much more. Additionally, this tool is going to offer an easy platform for some healthy competition amongst your team as they go head to head striving to accumulate points and be crowned the **"Grand Champion of the World"**.

TASK COMPLETION GUIDELINE: Each Participant will work through the Youth Leader Passport at their own pace and will be given an assigned amount of time to complete the assignments. Leaders will be responsible for documenting the details of the challenge (like: who, what, where, when and why) and updating their youth pastor or director on a weekly basis who will confirm and award points.

HOW TO WIN: The youth leader who collects the most points and completes the most challenges by the end of the designated time period will be award the title of **"Grand Champion of the World"**, accompanied by a moderately epic grand prize supplied by your church. We recommend prizes like gift certificates, bluetooth speakers, or something practical like the youth pastor detailing their car, or making a meal for a leaders family

Sincerely,

Jonathan Kornelsen
